**Student Group:** In-eligible PA Students

**Subject:** Emergency Student Grant Funds

Dear Student,

We appreciate your patience as we have navigated federal and state guidance in determining how best to assist our students financially during this unprecedented time.

You may be eligible for an Emergency Student Grant to assist with some of the changes to the delivery of instruction for the PA program and disrupted access to certain learning tools due to the coronavirus pandemic. The best way for us to determine your eligibility for this grant is for you to submit the **2020-2021 FAFSA** at [www.fafsa.gov](http://www.fafsa.gov). NGU school code: 003441.

The **2020-2021 FAFSA** must be received by **August 3rd** for further consideration. Students submitting a FAFSA after this date will not be considered for this assistance.

If you have any questions regarding the grant or instruction on submitting a FAFSA, please contact us at [NGUcentral@ngu.edu](mailto:NGUcentral@ngu.edu).

Please know that we continue to pray for you during this time.

Sincerely,

NGUcentral
