

Communication Purpose: FAFSA submission encouraged

Mode: Email

Student Group: In-eligible Residential Students

Subject: Emergency Student Grant Funds

Dear Student,

We appreciate your patience as we have navigated federal and state guidance in determining how best to assist our students financially during this unprecedented time.

You may be eligible for an Emergency Student Grant which we hope will assist you with housing and food expenses related to the disruption of campus services, including room and board services, due to the coronavirus pandemic. The best way for us to determine your eligibility for this grant is for you to submit the **2019-2020 FAFSA** at www.fafsa.gov. NGU school code: 003441.

The **2019-2020 FAFSA** must be received by **May 22nd** for further consideration. Students submitting a FAFSA after this date will not be considered for this assistance.

If you have any questions regarding the grant or instruction on submitting a FAFSA, please contact us at NGUcentral@ngu.edu.

Please know that we continue to pray for you during this time.

Sincerely,

NGUcentral

North Greenville University
