

Communication Purpose: Notification of online application

Mode: Email

Student Group: Commuters

Subject: Emergency Student Grant Funds – Application Available

Dear Student,

We appreciate your patience as we have navigated federal and state guidance in determining how best to assist our students financially during this unprecedented time.

You may be eligible for an Emergency Student Grant which we hope will assist you with possible expenses related directly to the disruption of campus services due to the coronavirus pandemic, including expenses such as food, course materials, technology needs, transportation, etc.

Commuter students that wish to be considered for funds through this grant program are required to submit an online form. Submission of this form does not guarantee fund availability. The form is located on the [NGU student portal](#). After logging on to the portal, select *Students > My Holds > Emergency Student Grant Request Form*. The form must be submitted by **May 31st** for consideration.

If you have any questions, please contact us at NGUcentral@ngu.edu. Please know that we continue to pray for you during this time.

Sincerely,

NGUcentral

North Greenville University
