

CruPerks Organization Participation Terms and Conditions
Effective 07/01/2020

By registering to participate in CruPerks, Organizations agree to the following Terms and Conditions for participation:

1. Organizations will offer a discount, product, or service of your choosing ("Offers") to CruPerks members who present a current, physical NGU ID. Examples include: complimentary beverages and appetizers, buy one get one free offers, and percent discounts. Because the program is associated with North Greenville University, all Offers are subject to approval by North Greenville University. North Greenville University may reject any Offers and/or remove you from participation in CruPerks for any reason. If an NGU ID is produced in a physical form, organizations will consider the customers as CruPerks members and allow them to take advantage of the offers offered by the organizations under the CruPerks program.
2. Organizations will permit the use of your name, logo, and a link to your website on the CruPerks website and in related publications.
3. Organizations will follow deadlines and timeframes for submission and duration of offers.
4. Organizations will display the CruPerks decal in a visible, public location at your business while you are participating in CruPerks. If organization is removed from participation, the organization will stop displaying the CruPerks sticker. Participation in CruPerks does not grant you a right or license to use North Greenville University's name or logos (other than the CruPerks sticker) in any advertising or other communications without the express written consent of North Greenville University.
5. North Greenville University reserves the right to terminate CruPerks at any time, at North Greenville University's sole discretion.
6. While it is our hope that the Offers presented in CruPerks are appealing enough that participation is strong, the North Greenville University makes no representations or warranties as to the results or benefits you may receive by participating.
7. Purchases and sales made through participation in CruPerks are solely between you and the CruPerks Cardholder. North Greenville University has no responsibility or obligation with respect to any such transactions. You acknowledge and agree that under no circumstances shall North Greenville University be liable for any direct, indirect, punitive, incidental, special, or consequential damages that result from, or arise out of any CruPerks transaction.
8. North Greenville University may periodically make changes to CruPerks, the CruPerks website and these Terms and Conditions. Such changes will be posted on the CruPerks website and become immediately effective. Your continued participation in CruPerks shall constitute your assent to such changes. Accordingly, you should visit the CruPerks website from time to time to review the then-current and effective Terms and Conditions.
9. These Terms and Conditions contain the complete understanding and agreement concerning your participation in CruPerks, and supersede any prior oral or written understandings, representations, or agreements which have not been incorporated herein.

Disclaimer of Endorsement or Warranty

North Greenville University does not endorse, has no responsibility for, and makes no representations or warranties with respect to a) the organizations who offer products or services via CruPerks; b) the quality of products or services that organizations offer or sell to CruPerks members through CruPerks; or c) the ability of organizations to meet their promises or obligations in connection with the sale of a product or service, including all express, statutory, and implied warranties of merchantability, fitness for a particular purpose, title and non-infringement.

By signing below, you indicate that you have read and agree to abide by the terms and conditions set forth under the CruPerks Organization Participation Terms and Conditions and the Disclaimer of Endorsement or Warranty above.
