

NORTH GREENVILLE UNIVERSITY

TUITION EXCHANGE PROGRAM

POLICY EFFECTIVE: FALL 2013

TE scholarships are for tuition expenses only for students who are as enrolled full-time undergraduate students at North Greenville University. Up to four new exchange scholarships will be awarded annually. Qualified applicants must be first-time, first-year freshmen as defined by North Greenville University. Transfer students, currently enrolled students, graduate students, non-degree seeking (special) students, and students seeking a second undergraduate degree will not be eligible for TE scholarships. TE scholarship funds are for the fall and spring semesters only.

TE recipients must complete the FAFSA (Free Application for Federal Student Aid) before June 30th each year. If a South Carolina resident student misses the SC Tuition Grant deadline of June 30th, the TE scholarship will be reduced by the amount of the SC Tuition Grant. State and federal grants (including SC Tuition Grant, Pell Grant as well as Hope, Life and Palmetto Fellows Scholarships) for which the student is eligible must be applied to the cost of tuition and the balance of the tuition will then be remitted. Students are responsible for additional charges including housing, meals, fees and books. Students may use private scholarships or “earned” North Greenville scholarships such as athletic scholarships, fine arts scholarships, student work, etc. to pay for these charges.

TE scholarships are limited to four years (eight semester units) of full-time undergraduate enrollment. Applications for Tuition Exchange must be submitted via the online application available at <https://tuitionexchange.org>. Applications should be submitted prior to January 15th. Please contact the Tuition Exchange Liaison in the NGU Financial Aid Office if you have questions regarding Tuition Exchange.
